

## FITECH- COVID 19 RESOURCE INFO

As one of our valued Endorsed Partners, [Fitech](#) is focused on helping community banks with innovative solutions to fit almost any customer need when it comes to merchant services. In this time of social distancing, it has been extremely important for banks and businesses alike to adopt to a 'new normal' and Fitech has the resources to help achieve this:

Restaurants, grocery, liquor and retail stores can accept payments via their [websites](#) or utilize solutions like [Foodtronix](#) who can help build an entire online shopping experience to eliminate the need to be in-store. Additionally consider utilizing [mobile](#) devices and even delivery apps for more contactless payment options

Churches can still accept donations & giving by offering [online](#) capabilities

FI's can pivot from accepting cash & checks for loan payments to utilizing a [virtual terminal](#) for processing ACH & debit transactions

Fitech's partnership with [Autobooks](#) enables small businesses an all-in-one solution, including payments, and access through the banks' digital banking platform

Digital automation of new merchant applications with a 24-72 hour turn-around for quick set-up and processing capabilities

24/7 in-house [customer support](#)
