

WBA 2020 Regulatory Compliance Conference:
Suggested Peer Session Questions for Discussion

1. What has been the most impactful topic that has been covered during this conference and why?

2. During this pandemic, what has been the most pressing compliance issue you have faced?

3. How are you planning for your next regulatory exam given this new operating environment? What new challenges are you preparing for?

4. From your perspective, what has been the most challenging element trying to implement the PPP program, and the subsequent loan forgiveness aspect?

5. How has your role within the bank changed or evolved since the onset of the pandemic?

6. What are you anticipating your biggest challenges will be, or could be, in 2021? How are you game planning for these unexpected/new challenges?
